ACT/007/020-AM99G, Folder #2, Carbon County, Utah

Dear Mr. Miller:

The Division has analyzed your November 15, 1999 amendment which proposes to add a second water discharge point at the Horizon Mine. There are some deficiencies in the proposal which prevent us from approving it at this time. The enclosed technical analysis describes the remaining issues that must be addressed in order to receive approval of the amendment. Please provide a response to these deficiencies by no later than January 21, 2000.

If you have any questions regarding these requirements please call me at (801) 538-5325 or Sharon Falvey at (801) 538-5260.

Sincerely,

Daron R. Haddock
